

Crystal Tulip Competition 2025

International competition FOR SOLO DANCE

From May 28th to MAY 31th 2025

in Moerkapelle, the Netherlands

We're happy to announce that we organize our "Crystal Tulip Competition" again in 2025.

The Crystal Tulip competition was visited in 2024 by starting international athletes and some global top athletes. The competition gives young talent the opportunity to get acquainted with the sport of roller dancing at an international level and to make new roller skating friends.

Looking forward meeting you all again this year!
